Meeting called to order by **Scholarship Chairman John Field**. There were approximately 76 in attendance.

As this is the day we hand out the Scholarships to the winning students, we had a full room of winners, parents and their school counselors **John** told the history of the scholarship Foundation and the generous gift from Hamaway family. Unfortunately, we had no microphone, so the students that each spoke about the schools they were going to attend, were just about unable to be heard. Too Bad……

We gave out a total of 27 scholarships, most received $1,000, but a few received $500. Their amounts were based on their essays and GPA, with emphasis placed on 'community service'. The total given out was $20,000. You can be sure that the committee of John Field, Mike Kumler, Don Ahrens and Mark Davis put a lot of work into getting this accomplished. Way to go committee, good job!!

Pat Glattke gave a report on the upcoming Omelet Brunch. June 3rd at the Veterans Center, 3500 Coffee Rd. (behind Marie Callenders). Tickets and posters are being spread all over town, and we need the help of ALL to make this a success. There are work signup sheets going around at each meeting, so if you've missed them, give **Pat** a call and tell her what help you are able to give. She needs people the morning before to slice the fruit, meat, etc. and then the morning of the event to help serve and then to help clean up after 12:00 closing.

This is about the only program we're working on as a club until the July 4th Parade gets a little closer. Let's all put a little more effort into making this a great success……

Give ticket chair, **Terry** a call so he can have a better idea of how tickets sales are going. So far, **Al Menshew** and **John Thoming** are leading the field…….Can anyone catch them????????? Dare I say "selling like hotcakes?"

Pat also announced that she was happy that many Key Club students were signed up to help at the Friends of the Modesto Library annual Used Book Sale on Saturday, May 5.
