Prez, Jeremiah called the meeting to order and got things off with a Pledge by **Dan Fitz**, Song **Jeremiah** and Prayer by our guest Rev. Darius Crosby. (many commented that it was much better than our 'normal')

Jeremiah then introduced his guest (s) Rev. Darius Crosby and his grandson (who also helped us with the Pledge)

Jeremiah then asked for committee reports, but **Pat** was trapped on a golf course and couldn't respond about the Omelet Breakfast. Jeremiah then asked if anyone was willing to help sell the ads in our placemat, but got no response.....It's really not that hard or time consuming.....call **Terry** if your able to help.

We are still waiting on trying the electric burners for the omelet cooking, but they are not available yet, nor is the list of foods that someone was going to sell us at discounted prices ??

Marilyn Fredrickson will be celebrating her birthday on Feb 9th and 10th at Dale Commons. Some of our members seemed to agree on going at 2:00 on the 9th. Stop by and say hello and have a piece of cake.....

Paul Hearst paid a happy \$20 for his recent trip into Mexico for a week or so.....

Nan Jacobs went to a Rotary Club Crab Feed (her husband is a member). She managed to cut her finger while cracking a crab piece and got her finger infected. I think she's looking for a good attorney.....

Margaret paid a happy buck for having Karen P. back with us. Karen then matched it as she was glad to be back,,,,,

Don Ahrens was limping badly today, seems he had a small battle with a curb, and lost. He did cough up a sad buck....

John H. also kicked in a happy buck for his new knee, seems to be working fine.

Ron Freitas was the first to offer a happy buck for the Eagles winning the Super Bowl in grand style.

Hugh B. paid a happy \$2, but I'm not sure why ??

Jim Mesquit gave a happy buck as he is now over his cold...

Our speaker, Rev Darius Cosby paid a happy buck for the great greeting he had from everyone when he came in.

Don Ahrens then handled our new "Raffle Riot" drawing. This is where each member puts his name in the container each week, if your name is drawn, you win a prize. If you're not in attendance, then you get your name mentioned in this newsletter and can expect a 'nice' fine the following week. **Nan Jacobs** had her name drawn today, and she was here so won a nice prize.....Be sure to get your name in the container each week....

Our program today was the Rev Darius Crosby...He spoke about his travels from Monroe, La. (where he was born), thru his times in Los Angeles, until his arrival here in Modesto. He talked about the things his father taught as he grew up, his times competing in the in the Olympics (where second place was not an option). When the announcer said an AMERICAN had won the race, it was the first time anyone had ever called him an American, and it felt really nice....He has been a Preacher and Reverend for over 25 years. His main wish is that we ALL leave the place better than when we found it.

It was a good program and had the room on its feet at the end. **Ron Freitas** was heard to say "It was the best program" ever..... We ended up singing a song together at the end, so everyone in the room seemed to agree with **Ron**...

If you missed this meeting, you missed a really nice event. You should all try harder next week.
