**President Jeremiah Williams** opened the meeting by asking one of our speakers/guests, Gina Machado, from the Center for Human Services One to lead the pledge. (Well done too). He then led the song and prayer.

**Carole and John Thoming** have returned from Mexico. He said that they won a timeshare trip at a Kiwanis event years ago, and they have returned to Puerto Vallarta yearly since, having fun and feeling safe. They brought back a pretty little green bowl they auctioned off for \$20.00 to **Warren Kennedy**. Glad you had a good time.

**"Breakfast Omelet" event this Sunday**, June 3, 2018, from 8:00 a.m. to noon, complete with fruit and pancakes.

-It is at the *Veterans' Center* which is located behind Marie Calendar's on Sylvan, but it's address is *3500 Coffee Road, Suite 13*.

-Tickets are still available. Adults are \$12.00, and kids 10 years or younger are \$7.00.

-**Terry McGrath** says our hope is to sell 300, or better yet, 400 tickets.

**John Thoming** has sold 86 tickets, and he was in Mexico for a time too!

-Please call **Terry** to discuss your ticket sales. He needs to know how many you have sold and your sales amount, plus if you need more tickets. He's like to hear from you by Thursday.

-Tickets will be available at the door as well.

-**Pat Glattke** has a list of the various assignments for members for the Breakfast. Please call her if you are not sure of your duty and time. Most jobs require you to be there at 6:30 a.m., so check with her. She says **nine** Downey High School Key Clubbers are coming along with other Key Club members from the various High Schools who will be coming to help and actually making this event possible. Thanks to them! (And, many thanks to **Pat and Terry** for ramrodding this fundraiser.) We are using American Legion equipment and one of their members will be present to assist cookers in making omelets.

-“Be There!”

**Mike Kumler**: you may not have recently seen this member who regularly comes to our meetings. That is because he was in Alaska on a cruise, and actually even attended a service club meeting on the cruise, handing into **Paul Hearst** his make-up slip (remember those?). Had a great time. He said the 1898 railroad from Skagway to the Yukon was made in two years while Canada and the U.S. took 78 years to build a highway that parallels the railroad. Had a great time!

**Don Ahrens** wanted to go to Sacramento and boarded the train for its new ride from Modesto at 9:30 a.m. Unfortunately, leaving Stockton's station, he heard a “bang” and felt the brakes take hold to stop the train. It apparently hit a man and was delayed, so he reached Sacramento at 1:15 p.m. Very sad, but we hope he otherwise had a good time in Sacramento.

**Craig Haupt**, the parent extraordinary! His daughter just graduated in physical(?) therapy from college and is working at a local hospital. His son graduated with a Masters Degree in Nursing, and they helped him move to L.A. After the son returns from Europe, he'll be seeking a job, but with a Masters in that field, he should do well. Congratulations all around!

**Ron Freitas** and wife Nonine just returned from the Big Island where they were for two weeks. He said they were on the N.W. side of the island and were not affected by the volcano eruptions which were on the S.E. side. On the trip home, they noted on the airplane 8 empty rows, three seats each in each section, empty. Had a good time. Nice tan.

**Dan Fitzgerald** and wife Sandy celebrate their 38th wedding anniversary so he gave the club \$38.00 for, as he put it, "38 wonderful years". Congratulations (two children and two grandchildren, so far)

**Nan Jacobs** and husband Steve celebrated 45 years of marriage (two kids and two grandchildren (if I'm correct). Went to Indianapolis recently too see their college for law and medical school respectively. Saw relatives too. Had a good time all around. Not too hot, too. Oh, paid \$45.00 to the club.

**Carole Thoming** oldest grans child is 19!

Jessica Irish, the other of our two speakers from Center for Human Services, said she went to San Francisco recently. She recommends the Yummy Yummy Noodle Vietnamese restaurant, saying it was truly delicious. Next door is another great restaurant too. Didn't say if she tried it tho. Ron Freitas paid her "happy buck" as she is a guest and he is a gentleman. By the way, Jessica who while in High School was in a key club. She also previously gave us a presentation on "public speaking"; now if she could help with our opening song.

The Center for Human Services is having a 48th anniversary. Way to go! They have a program called, "I am Project" whereby clients and others can describe themselves by an adjective such as "joy, optimistic, survivor, strong, resilient, genuine, etc." and in a photo or video they can explain it. One counselor, a policeman, was working with CHS bonded with a student who was drifting into associating with gangs and their members. He counseled the youth to leave that atmosphere and work on making himself better. A few years later, that student emailed him, saying that "he had become a sheriff's deputy in another county, was married, and had a child. He was thanking him for his mentoring and bonding with him back then. He needed such a friend back then." Good program. If you want to contact CHS, take a tour, volunteer, etc. please call them.
