Acting President John Field kicked off the meeting only 5 minutes late. **John** is getting better and better at this task, maybe we can train this guy after all.....**President Jeremiah** did show up a little later in the meeting, but we can talk more about that later....

We started off with a song led by **Don Ahrens** (which actually went off fairly well). The Flag Salute was handled very well by **Terry McGrath** (who's also writing this newsletter). The Prayer was also done in fine fashion by **John Field**

John then introduced a guest; Mr. AnhViet "Charlie" Nguyen. This was his second visit to our club and is showing some interest in joining !!!! (**John Field** will deliver him a Membership Application in the next few days. Charlie runs an offset & digital printing company. I'm sure we can make use of his talents

Ron Freitas gave a Happy Five for his son's recent promotion to Lt. in the Sheriff's Dept! (Santa Clara Co?) a proud daddy !

Nancy Church gave a sad buck for the passing of her favorite 49er Dwight Clark . she has his autograph, now that's a fan!

Joyce Aakerlund proudly paid \$7 for her new 7 pound great grand daughter. She was even at the Omelet Brunch at five days of age. Claims it was the best Brunch she had ever seen.....Wow...

John Field reported on the 4th of July Parade meeting hosted at his home last night. (He didn't claim it was the best meeting ever....but then Margaret reminded him that there was some very good wine served, so she remembers it as a GREAT meeting.....

John & Carole Thoming paid a sad buck for missing the Omelet Brunch due to a family celebration, but as John was the leading ticket seller (68) we gave them full credit for helping make the Brunch a success.....

Paul Hearst paid a fine for missing the Brunch as he was attending an event in Rancho Santa Margarita, (Southern California for you map-less few), which honored a brother-in-law for having served 46 years in the priesthood.

Pat Glatke announced some of the details on the successful Brunch. Lots of members, including spouses Sandy F and friends like Judi put in hours on Saturday. **Karen, Joy & Joy's** friend, Mike put the finishing touches on the fruit. **Dan & Mike K** sautéed onions. It was a hard working crew! **Pat** won't have the final count on attendance and profits for a few more weeks, but we had roughly 325/350 customers, 20 or so Key Clubbers (who worked ALL day, along with some of our own members that stepped up and did an outstanding job. **Jan J** worked the dining room. **Don A and Joyce A** were greeting all customers. **Nan J Ron F, Dave E., John H. Craig H** (and his father Bob, handled the omelet cooking, with **Dan F and Mike K** doing the pancakes. Warrens K's son, Ben, kept the silverware clean & did other jobs as required. **David E.** son, Zack, and Nance Williams's friend, Jackie did a great job in making sure all of the plates had the right items in place. As far as cleanup afterwards, **Margaret & Karen** finished the dishes. **Hugh B, Harold & Pat** worked until about 3:00 getting the kitchen floor back to clean, saving us a \$500 cleaning cost. **Nancy Church** stepped up and did all of the table

decorations, and they really looked nice and added a nice touch to the event. She claims a few other gals in the club also helped, but I know she fed them lunch (with wine?) .thank you all so much.....

If you missed the brunch, fear not, you can still send **Terry** a check to cover your tickets. If you respond real soon, He might even let you return some unsold tickets (and not tell anybody)...

Pat handed out several 'thank you' gifts, and even re-raffled off the quilt that **Nancy C** had donated. **Pat** felt there hadn't been enough tickets bid on the quilt at the Brunch, so she 'sold' it again.....

Program:

"Aspiranet Hope Forward" is a statewide, California nonprofit organization with the mission of providing children, youth, and families with a foundation of support and services so they can succeed at home, at school, and in their communities.

They are constantly searching for people to become Foster Parents for youth of Probation. It was a well received program and if anyone has an interest in learning more or even getting involved, their web site is: Aspiranet.org/hope Or
