President John Hertle called the meeting to order and then called on the following: Prayer: **Faith (Esther Knobel's daughter)** Song: **Don Ahrens**, (America the Beautiful), Flag salute: **Harold Petersen**. All performed their tasks quite well.

Pres. John reported that at last week's Board Meeting, we set up a new foundation account in the name of **Roger Sinclair**. Seems his employer wanted to make a donation in **Rogers** name to benefit a Kiwanis program. The board will decide at a later date just what type of 'foundation' this will be, but didn't want Roger's employer's generous offer to be lost.

Dec. 5th is also Don's Mobile Glass company's annual Christmas Shopping Tour. Our club has, for several years, set \$700 aside to be used on this program. Several Kiwanis members (and spouses) and Key Clubbers donate their time and each take a child or two on this really fun shopping spree. Dinner is served after, and all involved have a good time. Books are also available for each child to choose. Mark your calendar to join us

We had 18 Scholarships this past year, and we now have 22 to 24 potential scholarships for next year. **President John** set up a committee to set up new rules about who gets to select the winners, and where they come from. The committee will report back and set up some new guidelines....

Jerry Short was recently dropped from Kiwanis membership, but he still wants to attend meetings when he can. We all agreed that his years of service more than qualifies him to join us whenever he can (it is his wife's recipe for the Crab Cioppino that we have used for ever and ever)

This week members were supposed to bring a few bags of groceries for **Esthers' son Zach** to take to the Gospel Mission. Only a couple of bags of food showed up, so **Mark Davis** announced that we should bring more bags next week, and that he would donate at least \$20 for every bag that shows up !!! Wow, here's a chance to make him put up some big bucks.....(with my poor hearing, maybe I got this a little wrong, but we can still try !!) Bring lots of bags next Tuesday.....

Mike Kumler paid a sad buck for something, but I missed it. He was also today's 'secret greeter', but he is so well liked, everybody had already greeted him.....(maybe **Pres. John** should pick someone weoops, bad idea)

Don Ahrens paid a sad buck as he says trick or treaters covered all the streets around him by the hundreds, but he got only 3 kids to show up at his house.....(Maybe his huge white dog had something to do with that ?)

Nan Jacobs paid a happy buck for her Gregori Key Club that she works with hosted a District Meeting, and she says they served the best food ever.....Maybe more of our own members need to attend some of these functions and taste their wares.....they are a fun bunch of youngsters to be around.

Nan Jacobs synagogue also gathered to send prayers to Pittsburg, Penn. For the senseless slaughter last week, and prayed for more and better civility in the future... There is a District Board Meeting (DCM) Thursday night (Nov. 8th) at 6:00 p.m. in Turlock. It will be at the Winton Ireland Office 627 E. Canal Dr. Turlock.

There were elections held, and if you watched Fox news you thought that Pres. Trump won....but if you watched any other news channel, it was obvious that the Trump establishment just had their biggest defeat since Watergate.....Oh wellthe results of some of our local races won't be known for another week or so.....The good news is that more people registered and showed up at the polls.

Today's program was Community Hospice. A really interesting program that further explained all the great things that Hospice does for the community. Judging from the amount of questions, it was well received by the members..... Another good program by our new **Program Chair Esther Knobel**....

By the way, **Esther** had to leave right after the program, so she missed that her name was drawn for 'attendance' Not sure how **Pres. John** is going to handle this ??

Have a nice week.....
