1 st Vice-President	John Field
2 nd Vice-President	
Secretary	Terry McGrath & Hugh Brereton
Treasurer	Paul Hearst

DIRECTORS

Joyce Aakerlund Hugh Brereton

Dan Fitzgerald Esther Knobel

Harold Petersen Carole Thoming John Thoming

Craig Haupt lead the pledge. **Jeremiah Williams** lead the song and then gave an invocation. **Jeremiah** asked that his hurt leg, from a fall in the parking lot, would soon feel better.

Craig Haupt asks that anyone with extra crab feed tickets to turn them back in. It looks like we will sale out.

Fourth of July meeting will be at 6 PM on Monday, March 11 at **John Field's** house. He is located at 3517 Darlington Ct.

Our **Lt Governor** visit will be at our club next week on Tuesday, March 12.

The upcoming DCM will be at Bethel Temple center on March 14.

Carol Thoming brought two auction items. A hat and a cute little metal turtle, both from her trip to Mexico. The hat went to **Craig** for \$20 and the turtle to **Bill Gordon** for \$25. **Nancy Church** asked why the turtle wanted to cross the street? The answer is to get to the shell station. LOL

Happy or sad bucks

Mike Kumler is happy about his new used Subaru outback.

Don Ahrens is happy about the play The Sound Of Music at Downey High.

Craig Haupt is sad about his close friend passing away

Jeremiah is sad about hurting his leg in the parking lot. He slipped on the wet rainy surface and strained a muscle.

Bill Gordon is happy to be back in his home. He was out for one and half years.

Hugh is happy about Mike's new car.

Mark Davis paid \$2 for insulting Jeremiah about his leg getting hurt.

John Field forgot his wife's birthday, but made up for that error by taking her to dinner.

John Hertle is back in the Mercedes for a couple of days. He misses his other car.

Perry Bosshart, our newest member gave us some information on his life. He grew up in Illinois and study Ag in college. He went to Vietnam to do research on growing rice and met his wife there. Then he did Ag research all over the world. He has been to over 50 different countries. In Hawaii it was for the sugar cane industry. In Singapore it was for the fertilizer Industry. In Pennsylvania it was an Environmental project for smelter pollution. In Maine he studied popular trees to be used in making pulp for paper. He has two grown children and will be great new member.

Scribe of the Day

John Field
