Meeting called to order right on time by **Pres. Craig**. His term is coming to an end and he just keeps getting better and better.....(maybe he should consider stepping up and running for Lt. Gov. ???). Believe me, if you enjoyed being President, you would love being Lt. Gov.. It's really a gratifying experience.....

**Don Ahrens** led us in song, **Carol Thoming** in prayer and **John Hertle** handled the Pledge

As we just wrapped up the Crab Feed last Saturday night, reports from the various committees involved reported their results. **Pat Glatke**, who headed up the job of getting all the raffle and silent auction items collected and set up, did a great job and ended up with a little over \$4000.00 of goods that then sold on the silent auction for a little over \$1500.00. The raffle brought in another \$1500.00 That, along with the ticket sales, brought us in a total of close to \$10,000 in profit. These amounts are estimates, until all the expenses are paid. A big, big thank you needs to go to **John and Carol Thoming**, as they not only sold the most tickets, they also furnished 1/4 of the raffle items. As usual, the Key Club students showed up and helped. We also had a cleanup crew of Sea Scouts! Our SLP's are the greatest! This project takes some members a lot of time, while some of us just come out and help the night of the event, either way, it's a good project and allows our club to give monies back to the community in various ways.

**Carol Thoming** is just getting warmed up, as she already has another project in the works. The Wool Growers restaurant trip to Los Banos is set for May 7<sup>th</sup> 6:00 p.m. Mark your calendar so you can attend this fun night this has become an annual event that just gets better and better.

North Modesto Kiwanis is hosting the upcoming convention in Modesto Feb. 22<sup>nd</sup>. This event rarely comes to the Modesto area and it's really a great chance to meet Kiwanians from all over the state. If you've never gone, I urge you to attend. It's not only a lot of fun, you might even learn something !! Our President needs to know well in advance who plans on attending, so mark it down .....The club generally pays the registration, but he needs to know in advance.

March 26<sup>th</sup> 6:00 p.m. will be our next District Meeting, hosted by The Merced Kiwanis. We'll be voting on our next Lt. Gov. candidate., so you want to be there to make sure your name is on ballot (or not ).

Our marble game today was won and lost by **Harold Peterson**, his ticket was drawn, but he picked out the wrong marble...It will be worth \$30.00 next week.

The program today was presented by Boy Scouts of America ( BSA). District Executive James Smith told us some information about the Greater Yosemite Council. He also thanked our club for helping to build the Boy Scout club house in Enslin Park back in the late 1940's. I was impressed that he knew we had done that. He also spoke about the many benefits that Scouting has to offer, such as leadership and character building. (Much like our Key Clubs do) Another good program and another reason to be a Kiwanis member, fun was had by all. See more of you next week ????
