Judy Kropp, league of women voters

Thank you, John, for including me in your Kiwanis Club meeting today.  
League of Women provide information about current, local issues and registration services. LWV does not take a stand on any candidates but does study and advises voters on some State propositions. Our website Voters Edge will give current information on when and where to register and vote. There will be a Zoom Lunch and Learn on Sept. 24, 2020, noon (Thurs) where propositions will be discussed. LWV provides debates for local candidates when requested. LWV will coordinate with The Modesto Bee which will also be holding debates

More to follow...
