All well done, I'm told. (I was late)

2. Club Board of Directors meeting will be after the general meeting next Tuesday afternoon
3. **John Fields** reported on the 4th of July Parade Committee meeting on March 28, 2022.
 - this year's *4th of July Parade* will be: -on the Holiday Monday of the 4th of July weekend (does not always occur that way)
 - it will be the 149th Parade.
 - and next year will be the the 150th parade
 - Margaret Trammel and Pat Glattke are on the committee
 - Modesto Junior College* is the "Grand Marshal" of the Parade, as it were, as it celebrates its 100th Anniversary
 - . -Its President, Community Development dean, and maybe a few others will be present at a general meeting in April to discuss their involvement in the Parade
 - "The Terry McGrath Family"* will be the "Champions of the 4th, leading the Parade. This honors one of our Club's best members (over 40 years in the Club), a very active community benefit person working for Modesto's benefit in many ways over his lifetime.
 - the next meeting shall be at 6:00 on April 26, 2022
 - over the years, MJC has had 750,000 students study there.
4. **Don Ahrens**, while in the Air Force at Castle Air Force Base, studied at MJC from 1963 to 1964,, and went onto San Jose State University to receive his Bachelor's degree, eventually to receive his Doctorate in Meteorology. What was cool, is that he applied to teach at MJC and was taught there for about thirty years. The college taught classes in Merced as there was no Merced College back then
5. **John Fields** studied at MJC, and he went onto a career in dentistry.
6. **John Thoming** was a student at MJC 62 years ago.
7. **Jerry Jackman** attended MJC for three years (?), with over 100 units, (I think he said). Later, he received his Bachelor's degree at a university too

8. Your editor's daughter attended MJC for two years. She told me that her school prepared her "well" for UC Davis",

9. **Harold Petersen's** grandson of baseball and hockey fame back East was voted his baseball team's Captain

10. **Craig Haupt**, to get exercise, was at the Villa cutting trees down, trimming them for firewood, splitting them, raking-up undergrowth, etc. getting ready for summer. He seems to have taken something of an Arnold Schwarzenegger build to a degree.

11. **Don Ahrens** went with his daughter and his friend to the Gallo Center where they saw "Jersey Boys" for the second time and enjoyed it even more. He suggests you go when it returns.

12. **John Field** won an ice cream cake which was used at his daughter's birthday.

13. Cheryl Schrock with the Alzheimer's and Dementia Association was our speaker. There will be a "walk" at Graceda Park on September 17th at 8:00 a.m. as a fundraiser. She showed us slides of the good work of the Association. It's hotline is: "1-800—272-3900". If you need help, want to talk to an expert about the diseases, etc., please call them. They have personnel with Bachelors and Master's degrees on these diseases. It is a free service. and is multilingual. Knowledge can take some of the fear and anxiety away
