1 st Vice-President	
2 nd Vice-President	
Secretary	John Hertle
Treasurer	Bill Gordin

DIRECTORS

Hugh Brereton	Jeremiah Williams
Dan Fitzgerald	Harold Petersen
Carole Thoming	John Thoming

The Patriotic Song was lead by **Don Ahrens**; the Prayer was led by Craig Haupt; and the Pledge of Allegiance was lead (I think) was led by our New President, **John Field**. All did well, some with spontaneous additions

**Woolgrowers Basque Dinner Trip on October 21st, at 609 H Street.
Los Banos**

- You must arrive by 6:30 p.m., as they close the doors at 7:00 p.m. and you will not be let in.
- Travel arrangements are up to you!
- Cost is \$40.00
- Please contact **Graig Haupt** by Oct. 19th if you are going and how many will be in your party Contact **Craig** by E-mail Craig, and for the next two meetings we will have a sign-up sheet available

Next Week's General Meeting is at noon, as usual, but it is at the Park retirement home as guests of past Club member Jerry Short who lives here now. It is at 2832 Healthcare, and please let Craig Haupt know if you can attend by 10/19. Tours of the facility are available.

Happy Bucks:

-**Don Ahrens**: The Giants were helped by divine intervention in their win over the Dodgers the past weekend, the meteorologist figures since a big wind hit the Dodgers home run hit so it landed within the playing field, yet the Giants homer was high into the stands.

-**John Hertle** and Mary Ann visited the "Villa" of Craig and Diane Haupt in Carson City. All had a good time.

-**John Field** has arranged three programs for our meetings so far, and would welcome suggestions.

-**Don Ahrens** won the raffle but not the prize as his was not the marked ball.

-**Bill Gordin's** Raiders had a "sort-of-double": lost their coach and the game last weekend. But, he reminded us, that they lead their division by 1 game and the 49ers don't

-**Craig Haupt's** son-in-law is joining our Club as a special member available for projects, etc. Welcome!

-**John Field's** Fantasy football team is doing well (so far)

-**John Hertle's** Tesla is now up and operational once again.

Coming back from visiting **Craig Haupt** in Carson City, it was mostly

downhill so coasting down regeneration caused the battery to be charged more than when he left. One happy customer.
