Meeting got off to a very quiet start, as **Prez JIM** had no microphone. I understand the new carpet that was installed last week did something with the plugs for the microphone, or something like that. Since he had no microphone, and I have a serious hearing problem, the contents of this bulletin are quite suspect. Maybe some of the things I mention happened, and maybe they didn't. I guess that if they really didn't happen, they probably should have.

Prayer, Pledge and Song did happen ( I really heard them ), but who started each of them is up to my sole determination. Thanks goes to **ROBERT LYNCH, ANTHONY BUTERA and AL MENSHEW** for leading them in such fine style.

It was also reported by somebody that our own **UGO LEA** is spending a great deal of time lounging around his home modeling the new cast on his ankle. I'm not sure, but I think that's going to make his job as 'egg breaker' the morning of our breakfast a little harder.

Speaking of the Pancake Breakfast (how's that for a Segway ) Chairmam (?) **KAREN PETERSON** is asking all members to please show up early on May 18<sup>th</sup> to help pull off another successful breakfast. The "Egg Breakers" are to be there at 5:30 a.m. and the rest of the crew can sleep in until 6:00 a.m. If you have not been assigned a specific duty, trust me, a 'duty' will be assigned as soon as your pretty little faces make their appearance.

**TEAM MENSHEW** has already sold over \$500 in ticket sales, I'm guessing his wife **LORETTA** has sold most of those. Here comes another Segway.....**AL & LORETTA** recently celebrated their 34<sup>th</sup> anniversary and big ole generous AL paid \$30 big ones for the occasion and says he feels, **LORETTA** should pay the other \$4.00 that he was short.....Looks like maybe **AL** won't have to worry about whether there will even be a 35<sup>th</sup> ???

**Meanwhile, back to the Pancake Breakfast.** Sell the rest of your tickets, or at least give them to friends that will come. You can pay for them yourself if you're too bashful to ask for money. In years past there have been fines in the \$25 & \$50 range for members that just failed to show up. If you really can't be there, you need to call **KAREN** and let her know.

ALSO this week is the last chance you have to purchase an ad for the breakfast placemat. They cost a mere \$50 and I still have room for one or two more. If you had an ad last year, and I haven't heard from you, you will have an ad this year. Thanks for your continued support.....

**ERIKA TOWNSEND** is also having a 'knick-knack ' sale that same day. Contact her to tell her just what neat and exciting things you will be bringing. She prefers small items that will be displayed on a table top, so leave the used lawnmower at home.

**ANTHONY BUTERA'** S wife will be selling various works of art and jewelry, so bring your checkbook and do a little shopping after breakfast. There's no telling what you may buy (but I'll bet it won't be a used lawnmower.....)

**JAN JAEGER**, our faithful and hard working KEY CLUB advisor has had her prayers answered for the drivers needed this week end, so the rest of you can come out from behind the bushes and wait until the next time she needs help. She doesn't ask for much, but when she does ask, you need to step up and help. Who knows, you might even enjoy it.....

**HAL CONKEY** announced that he still has a few tickets left for the MO-Band Fund Raiser on May 29<sup>th</sup>. For \$35 you can attend a really fun night of food and frolicking at Mancini Pavilion in Graceda Park.

**PAT GLATTKE** announced that there will be a "New Member Orientation" in about a month to help our newest members learn more about this group called "KIWANIS". Keep tuned to this channel for further information.

**ANTHONY BUTERA** (he's one to those "new guys" , also wants to remind you that we will be having a sales booth at the North Modesto Kiwanis 'Graffiti Car Show" June 14<sup>th</sup> and 15<sup>th</sup>. Sign up to help now before all the spots are taken.

It was also reported that are our own **STEVE GRENBEAUX** had a "minor" stroke a couple of days ago. Don't know how any stroke could be called 'minor', but let's keep **STEVE** in our thoughts and prayers.

The program TODAY WAS Michael Pao, a Long-Term care Ombudsman who volunteers his services for the Stanislaus LTC Ombudsman Program. It sounds like your best choices in life should be HEALTHY ONES, as you do not want to end up in long term care if it can be avoided. His best advice is to plan ahead, you need a 3 year window to set up your financial life style, so if the worst happens, you can at least be prepared. From the looks of some of us in the room, we best start planning soon.....

See ? for an old deaf guy, I can fake it pretty good, huh ???  
Terry

Other Notes

B-29 Superfortress FIFI

There was a rumor last week that a B-52 was coming to Modesto Airport in June. This rumor was well intended however, the accuracy of the possibility was thought provoking. Even Hal Conkey got into the mix, pulled out of his pocket a chart of different jetliners, and pointed out just how big the B-52 really was. The real story is the B-29 Superfortress FIFI along with four other combat planes used during the WW11 will be at Modesto Airport from June 2-4.
